MORGAN CITY JOB ANNOUNCEMENT

POWER DEPARTMENT

Morgan City Corporation has a job opening for a full-time Operations Manager

The person applying for this job must have a high school diploma or equivalent and must have a valid Utah Drivers License. Must be able to obtain a CDL Drivers License. This position requires good time management, project organization and support of department heads. Strong mechanical abilities, a general knowledge of electrical systems and operations, and good communication and public relations skills are critical to the successful execution of this position.

The person will be assigned to work primarily in the Power Department, but will assist other public work departments as needed. Will be required to work on line crew to perform maintenance, repair and emergency services on power line distribution and transmission. Typical hours are from 7:00 a.m. – 3:30 p.m. Call outs may occur nights and weekends. Preferred education and experience: Graduation from college with a bachelor's degree and five years of experience in a comprehensive power utility; development and maintenance of power systems.

The salary for this position will be dependent upon qualifications and experience. Starting annual wage is \$71,794.25-\$83,759.96. It will include full benefits including health insurance and retirement benefits, vacation and sick leave.

Applications and job descriptions may be picked up at Morgan City Office, 90 West Young Street, Morgan Utah. Open until filled, Applications received by June 15th at close of business day 4:00 p.m. will be considered in the first review. For more information you may call Laurie A. Moore (801) 829-3461 or visit the city website:
